

HAYK ADIBEKYAN

Senior C# / .NET Developer

Phone/WhatsApp: +374 77 944 846 | Email: Hayko1746449@gmail.com | Yerevan, Armenia

PROFESSIONAL SUMMARY

Senior C# / .NET Developer with 9+ years of professional experience, including over 7 years building and maintaining sportsbook/betting backend systems and third-party API integrations at Softconstruct. Skilled in designing and developing scalable, high-load web services and APIs using .NET Core, ASP.NET Core Web API, Entity Framework / EF Core, and SQL Server, with hands-on experience in Azure Cloud and message-driven architectures using RabbitMQ/Kafka. Strong analytical background from prior roles in market development, combined with deep technical expertise in modern .NET technologies.

TECHNICAL SKILLS

- Languages & Frameworks: C#, .NET Core / .NET 6-8, ASP.NET Core Web API, Entity Framework / EF Core
- Databases: Microsoft SQL Server, query optimization, stored procedures
- Cloud & Messaging: Azure Cloud, RabbitMQ / Kafka (message queues)
- Architecture: RESTful API design, third-party API integrations
- Tools & Practices: Git, unit testing, code review

WORK EXPERIENCE

Senior .NET Developer

2019 – 2026

Softconstruct LLC — Yerevan, Armenia

- Designed, developed, and maintained backend services for a high-load sportsbook/betting platform using C#, .NET Core, and ASP.NET Core Web API.
- Built and integrated third-party APIs, ensuring reliable data exchange with external providers and partners.
- Built and optimized data access layers with Entity Framework / EF Core and Microsoft SQL Server, improving query performance for high-traffic systems.
- Implemented message-driven communication between services using RabbitMQ/Kafka to support asynchronous, high-throughput processing.
- Deployed and supported services on Azure Cloud, contributing to system reliability and scalability.
- Participated in the full software development lifecycle, including code reviews, unit testing, and production support.

Market Development Manager

2017 – 2019

Marila LLC — Yerevan, Armenia

- Managed market development activities, client relationships, and sales growth initiatives.
